### Protection from your spouse's debts

When you file a joint tax return, the law may protect you from having to pay for liabilities for which your spouse (or former spouse) is responsible. You may be eligible for injured spouse relief if some or all of your overpayment has been (or will be) applied to pay your spouse's past-due income taxes and other debt (child support, spousal support, student loans). You may be entitled to a refund for your share of an overpayment that's been applied to your spouse's debt. For more information, or to submit a claim, go to [www.irs.gov](http://www.irs.gov) and download Injured Spouse Allocation (Form 8379) or call 800-829-3676 to request a copy.
